

GORDON'S SCHOOL

HELP US BECOME
A STEINWAY SCHOOL

STEINWAY & SONS

Gordon's School, West End, Surrey, GU24 9PT

EXCITING NEWS FOR GORDON'S SCHOOL!

As we celebrate our 140th Anniversary, we are thrilled to announce an ambitious goal: to become a Steinway School!

[Steinway](#) pianos are renowned for their rich, unrivalled sound, their incomparable tone and touch, and their ability to inspire musicians. They deliver an unparalleled learning experience — nurturing creativity, excellence, and a lifelong love of music.

As a Steinway School, Gordon's would not only be providing its own students with gold standard equipment for the study of music but the school would also be eligible for Steinway Artist Masterclasses, would benefit from links with other Steinway Schools and host piano competitions and scholarship auditions supported by Steinway. Other students in the area would benefit too from Steinway community engagement events at Gordon's.

There are just 25 Steinway schools in the UK.

HOW YOU CAN HELP?

To achieve this prestigious status, we need to upgrade our current pianos and purchase or lease new instruments from Steinway. This is where you come in!

We are delighted to share that a very generous donor has pledged to match pound for pound every donation made towards this campaign. This means that every pound you give will have double the impact!

We are reaching out to our parents, alumni, and the local community to help us make this vision a reality. Our goal is to achieve Steinway School status by September 2025, just in time for the opening of the Wynter Bee Theatre.

In recognition of your generosity, anyone who donates £140 or more will have their name displayed on a commemorative plaque in the Wynter Bee Theatre — a lasting tribute to your generosity during this milestone year.

If you are in a position to make a larger gift or know of a company who would like to support this transformative project, please email jmoreau@gordons.school.

As a thank you to any major donors, you will be invited to the Steinway factory in Hamburg to see our Steinway piano being built.

STAY INVOLVED

Throughout the year, there will be opportunities to contribute, and we promise to keep you updated on our progress. Together, we can make this dream a reality and give our students the tools to inspire and be inspired for generations to come.

Let's make our 140th Anniversary unforgettable by securing a legacy that will resonate through every note played on a Steinway piano.

Thank you for your support, passion, and belief in providing this amazing opportunity for our students now and in the future.

BECOME PART OF THE LEGACY

Steinway Sponsors' Board: We would be very grateful for any amount that you could donate to this project, at the link below. However, a donation of £140 (effectively raising £280) would ensure your name appears on our 'Steinway Sponsors' Board', which will be a permanent installation in the newly completed theatre.

STEINWAY INVITES

Steinway have very kindly offered their facilities and pianists to major gift donors so you may attend an exclusive event/masterclass or even a tour of their pianos being made in their Hamburg workshop as a thank you. This would be in addition to your name on the Steinway Sponsors' Board as a lasting legacy.

For further details please contact jmoreau@gordons.school.
